8:00 p.m. The Arlington Redevelopment Board met with the permanent Town Building Committee in review site plans for the Peirce and Dallin Schools.

Mr. Bill Shea, Chairman of the Permanent Town Building Committee, was present along with Meredith Straut of DRA and Mr. Bob Clark. In addition, Richard and Debra Weinstein, abutters to the Peirce School were present.

Mr. Shea reviewed the site plan for the Peirce School with the Board. Ms. Straut reviewed the elevations, and there was a discussion about the provision of appropriate parking in the vicinity of the Weinstein property.

Mr. Shea then reviewed the materials relating to the Dallin School, and he indicated that the plans were proceeding and that both schools would be back before the Board at a later date.

9:10 p.m. – Director's Report:

Staff work on the Mugar issues: Mr. McClennen briefed the Board on the staff work that was being undertaken in anticipation of the discussion of the Mugar acquisition by Town Meeting. It was agreed that the Board should not take a position on development or non development at this time because there is currently nothing before the Board in terms of proposals. The Department will continue to assemble information to assist the Board in its deliberations.

10:25 p.m. – Adjournment: Moved by Mr. Tsoi, seconded by Mr. Faulkner, to adjourn; unanimous vote in favor.

Respectfully submitted,

Alan McClennen, Jr.
